EDUCATION

Laxmi Narayan College of Technology, Bhopal **2023 – 2027**
*B.Tech - Computer Science and Engineering - **CGPA - 8.36*** *Bhopal, Madhya Pradesh*

EXPERIENCE

Intern at VaultofCodes **November 2025 – December 2025**
Role - Web Developer *Remote*

- Worked as a **Web Developer Intern**, gaining hands-on experience in building and maintaining dynamic web applications.
- Developed responsive and user-friendly interfaces using **HTML, CSS, JavaScript, and React**.
- Collaborated on real-world projects that improved team coordination, problem-solving, and practical understanding of full-stack workflows.
- Integrated user authentication, search functionality, and a voting system for ranking answers.
- Handled database operations and ensured efficient data management.
- Gained valuable real-world experience working in a professional environment with modern development tools and methodologies.

PROJECTS

Full-Stack E-Commerce Website | React, Django, PostgreSQL, REST API **Feb 2026**

- Developed a full-stack E-Commerce web application using **React (Frontend)** and **Django REST Framework (Backend)** with **PostgreSQL** database integration.
- Implemented secure user authentication, product listing, cart functionality, and order management system.
- Designed RESTful APIs for product, category, cart, and order modules with complete CRUD operations.
- Integrated frontend with backend using Axios and optimized database queries for efficient data handling.

Personal Portfolio Website | React, CSS **Oct 2024**

- Developed a responsive personal portfolio website using React to showcase projects, skills, and achievements.
- Focused on clean and modern UI design using advanced CSS styling and animations.
- Implemented reusable React components for sections like About, Projects, and Contact.
- Optimized layout for different screen sizes to ensure a smooth mobile and desktop experience.

TECHNICAL SKILLS

Languages: JavaScript, Python, SQL, C++
Frontend: React, HTML5, CSS3, Tailwind CSS, Bootstrap
Backend: Django, REST APIs
Developer Tools: Git, GitHub, VS Code, Canva

CERTIFICATIONS

- Foundations of Web Development: CSS, Bootstrap, JS, React – Udemy
- Django Essentials: Build and Deploy Real-World Apps – Udemy
- Introduction to Cybersecurity – Cisco
- Networking Basics – Cisco

ACHIEVEMENTS

- Solved **1000+ Data Structure and Algorithm problems** across platforms including LeetCode, GeeksforGeeks, CodeChef, and HackerRank.
- Participated in the **Smart India Hackathon (SIH) 2025**, a national-level innovation initiative, and advanced to the **second round** of the college-level internal hackathon selection.
